Hi Don.. I missed this email when you sent it.. sorry it took so long to get back to you..

First, check out the link below, it has all the information you'll need on Prop H, including the full text of the ballot measure, the impartial Ballot Summary, and the CLA's and CAO's summaries and digests as well. It's pretty substantive:

In terms of the kind of people that we'll look to appoint, I haven't discussed it with Mike yet. Right now we're really focused on getting the measure approved. The ordinance to establish the oversight committee wouldn't come until after the measure is approved, if the voters choose do so. But I'll tell you this much, if it were up to Mike, he would only choose people that are serious and ready to get things done. This is it for us. This is how we solve the homelessness issue. It has to be done right, and it has to have the right people steering it.
